November 11, 2013 - Healthful Living

Our Weekly Studies

Reading: Rainbow words came home on Friday. When your child has mastered the colors sent home (red, orange, yellow) please send me a note and I'll send the rest to you. We are moving past letters and sounds during 2nd quarter, so it is important that all students begin reading sight words.

Math: We are practicing teen numbers: counting, making sets and ordering. We will also begin measuring.

Writing: We are trying hard to create "more interesting" sentences...trying not to start each sentence with "I see" or "I like." We are also writing more non-fiction.

Science and Social Studies: We will continue learning about how to keep our bodies healthy and about good nutrition.

Homework

Tuesday - Math page 37
Wednesday - Math page 39
Thursday - Math page 41

Fronts only...you may choose to have your child complete both sides if extra practice is needed.

Remember to read your baggie book and November calendar page as part of your homework routine.

Show and Tell theme: Healthful Living
