December 9, 2013 - Arctic Animals

Our Weekly Studies

Reading: Practice, practice, practice. When you are reading together at home encourage your child to stretch/sound out unknown words. Also encourage them to use picture or context cues.

Math: We have spent a lot of time the past 2 weeks learning about shapes...both 2D and 3D. We are also practicing how to count on (count starting at any number: 11, 12, 13, etc...).

Writing: We are working on opinion writing, remembering to tell why we have the opinion (using the word "because").

Science and Social Studies: We are in the middle of our Economics unit (Needs and Wants) and are working together (job) to earn extra gifts for our families.

Homework

No math homework...please see the attached family project instead.

Remember to read your baggie book and December calendar page as part of your homework routine.

Show and Tell theme: Needs and Wants

Snack Helpers

December 9th - Onix
December 10th - Cameron
December 11th - Timothy
December 12th - Kellie
December 13th - Joey

Tuesday - Guidance
Wednesday - Library
Friday - PE and Computer

Wishing For...

Solid color ornaments (no glitter)

Be "Spotted" At Our Upcoming Events

December 18th - Pajama Day - Wear your pajamas to school! We will be having Polar Express themed centers in the am and then watch the Polar Express during the afternoon. We will also be wrapping our Holiday Workshop gifts in the morning. If you would like to help with Polar Express centers (9:45-11:00) please let me know. THANKS!

December 20th - Last Day of school before track out! Students come back on January 23rd.
